

Tim Kaine  
Virginia

March 1, 2018

Dear Virginia Art Educators,

I write to support Youth Art Month sponsored annually by the Virginia Art Education Association (VAEA). Art education helps to build well-rounded students by generating creative thought in the minds of each new generation.

Whether students choose to continue with art outside of school or pursue it through higher education, creativity instilled in their minds can be applied to any discipline or field of education they choose to follow. Art education is indeed an investment in our future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim Kaine".
