

## Virginia Art Education Association

---

*To promote, support and advance visual arts education through professional development, leadership, research and service.*

August 15, 2022

Dear School Administrator:

I am pleased to announce the 2022 Virginia Art Education Association Professional Development Conference will be held in Richmond, VA, November 3-5. This year's theme is "Embracing Change".

This annual gathering of nearly 500 visual arts, design, and media arts educators, including prekindergarten-12 art teachers, school division administrators, college and university faculty, and museum and preservice educators, provides the most comprehensive opportunity for professional development related to our field in the Commonwealth. The VAEA has hosted over 50 professional conferences and this year promises to be an event not to be missed.

Conference opportunities include over 140 sessions that showcase the latest in research and effective practice and provide interactive learning through discussion and hands-on workshops. All program events are 100% art education content that can be applied immediately to teaching and learning. Our keynote speaker this year is Ed Trask, an internationally known musician, painter and muralist. He will be featuring the Mending Walls Mural Project as part of his address and will be leading a tour of many of the murals in the Richmond City area.

As educators, in this climate of high stakes testing, we know that the arts are critically important in developing human potential in our students. I ask for your encouragement and support of art educators in further advancing their knowledge and professional skills by providing release time and support for their participation, travel, and lodging.

The program will be open for registration in the next few days. The registration costs and the individual session list is available on the VAEA website – [www.vaea.org](http://www.vaea.org). Feel free to contact me at [HollyBess@gmail.com](mailto:HollyBess@gmail.com) if you are in need of further information.

We look forward to providing a valuable and timely professional experience for your art educators. I thank you for your leadership as we work together toward ensuring quality education for our nation's youngest citizens — all of our students.

Sincerely,

A handwritten signature in black ink that reads "Holly Bess Kincaid". The signature is written in a cursive, flowing style.

Holly Bess Kincaid
